

Low Voltage Staging Thermostat

Manufacturer: SECO

Model: AC4010

Features: 2 Heat / 2 Cool
Gas, Electric, Heat Pump
Auto Changeover

Description

The AC4010 thermostat is an inexpensive (gas, electric, heat pump) thermostat with no sacrifice in performance for those who demand simplicity. The ivory color blends with almost any décor using simple yet elegant styling.

Design features such as no sub-base, all wiring from the front, and the fact that it can be used with gas, electric, or heat pumps all point to an economical, easy to use, high performance thermostat.
